

Hardware Features

Processor:	Intel™ Pentium III 500MHz
Memory:	128Mb SDRAM, expandable to 256Mb
Video:	VGA with 8Mb VRAM
Display:	TFT LCD 8.4" diagonally 800 x 600 pixels, high luminance
Touch Screen:	Resistive
Pen:	Passive touch screen pen
Hard Drive:	20Gb HDD, upgradeable to 40Gb HDD
PCMCIA:	Two external PCMCIA Type II, One Type III
I/O Ports:	USB, RS-232, Docking, RJ45, PS/2 keyboard/mouse
I/O Ports Dock:	4 USB (2 standard, 2 sealed) 2 Two RS232, VGA out, RJ45 and RJ11, IEEE-1284 (Parallel), Floppy Disk
Audio:	16bit-sound with stereo speakers
Buttons:	Instant backlight off button, 8 programmable FN keys, Brightness up/down
Operating Sys:	Win 98/2000/NT/XP
Power Management:	Full Operation, dose, sleep and suspend modes, ACPI power Management
Warranty:	2 years, 3 years optional

Dimensions and Weight

7.5"H x 9.8"W x 1.3"D

3.5 lbs with Battery

MIL-STD 810F Operating Environment

Temperature:	810F 501-1, II, 502-I, II -10°C to +50°C (operating) -21°C to +71°C (storage)
Humidity:	810F 507-III 95% RH
Altitude:	810F 500-III 40,000 ft. (operating)
Shock:	810F 516-I 40g, 11ms
Vibration:	810F 514.5-C3, C6 5.5 – 500Hz, 1g
Rain:	810F 506-II 4 inches/hour 0.5-4.5 diameter 40 min period
Dust and Sand:	801E 510-I, II With keyboard cover
Salt Mist:	810E 509-I 35C 5% 48 hours
EMI/RFI:	FCC Part 15 Class B/CE Class B, E-Mark
Safety:	UL / CSA / TUV CE tested to Mil=STD-80E & IEC-682-2 CE Approved tested to IEC-529/ IP54

Optional Hardware

T2000 keyboard has backlight and integral rugged track point mouse. This will connect to ANY computer with a USB port, but is ideal for use with tablet computers where a lot of typing is intended.

DI-5 Adjustable stand is ideal for mounting in vehicles or on navigation bulkheads. Mounting stand has secure lock enabling unit to be left mounted in vehicle for added peace of mind.

DI-5 Docklite Port Expander adds unrivalled connectivity to the tablet including 4 x USB, 2 x RS232, CRT, RJ-45 LAN, RJ-11 modem port.

256 MB SDRAM

HDD 30 GB, 40 GB

Internal 10/100 Base T LAN Card

Internal Wireless LAN Card

Internal Modem Card

Internal Modem/LAN Card

USB External CD-Rom Drive

USB External Floppy Disk Drive

Docklite Port Expander

T2000 USB Keyboard

External 10-32 V input Vehicle Power Adapter

110-240V Input Vehicle Power Adapter

EMI-461D Compliance Upgrade + Military Power

Adjustable Stand

Spare Primary Li-Ion Battery

Hard Carry Case

ISAS DI-5
